

Join Hands Day – May 2, 2009

December 15, 2008

Port Huron, MI - Join Hands Day is the only national day of service that specifically targets and develops relationships between young people and adults through neighborhood volunteering. Young people and adults work together on an equal basis to plan, organize and implement the day's activities. It is a day to begin a year round process of building relationships across the generations.

Join Hands Day 2009 is Saturday, May 2nd. Save this Date. And while that may seem like a long way off right now, it will be here before we know it, so it's not too early to start planning your project now.

Why participate in Join Hands Day? You'll motivate both youth and adults to become more active in your society/chapter. You'll build relationships with other organizations and/or businesses. Members of your community will learn about your society/chapter and your good work. Young people will learn the value of volunteering. It's fun and rewarding!
