

Woman's Life Announces New Website Features

January 19, 2009

Port Huron, MI – Woman's Life has made it easier for you to donate to our National Cause, St. Jude Children's Research Hospital. You can donate online using PayPal by clicking on the Donate button on the National Cause page. If you do not have a PayPal account, you can still donate either by creating a PayPal account or paying by credit card on the PayPal website.

A secure ChapterWeb area has been added dedicated to simplifying the efforts of chapter officers. Chapter Presidents, Treasurers and Secretaries can access the new area using the ChapterWeb Logon link on the Woman's Life website home page. Usernames and passwords for chapter officers will be provided by the home office. Officers can check the status of their chapter support programs, complete and submit the C-36 Treasurer's Report online and view messages and news items posted by Woman's Life.

Agents can access the secure "new look" AgentWeb using the AgentWeb Logon link on the Woman's Life website home page.

The Locate Chapter results page has been updated to improve readability.
