

Making Future Premium Deposits into your Flexible Premium Deferred Annuity* (FPDA)

Woman's Life Insurance Society® will send you reminder notices at the frequency you selected when you opened your annuity. We will send you notices either quarterly, semi-annually, or once per year (unless you chose to have systematic monthly premium deposits made from your checking account). However, you may also make additional, otherwise unscheduled, premium deposits at any time.

Add money to your annuity at any time you please! In order to make additional deposits to your annuity, simply send us a check or money order in the amount of \$25.00 or more, and we will add it to your annuity for you.

You may have CD's coming due in the future, or other savings (Money Market, etc.) that you wish to move to an annuity to save on taxes and improve your yield. If you want us to help you accomplish this, just contact your Woman's Life Representative.

*Qualified programs (such as traditional IRA's, Roth IRAs and TSAs) have special rules. You may have contribution limits based on income or prior contributions. Please consult your Woman's Life Representative or tax advisor before making any unscheduled IRA deposits.

Simply tear off at the line and send this with your check to the attention of the Member Service Department.
