

## Woman's Life Staff Supports Blue Water Area Humane Society

(Port Huron, MI – February 2017) Employees of Woman's Life Insurance Society held a "Collection for a Cause", gathering pet supplies to donate to the Blue Water Area Humane Society. The collection included cat food and treats, dog food and treats, cleaning products, towels, leashes, and plenty of squeaky, chewy toys, all to support the Humane Society's efforts to provide temporary, safe shelter for companion animals while helping them find

permanent, loving homes.

"As a non-profit fraternal benefit organization, an important part of our mission has always been to give back to the communities where our members live," stated Woman's Life National President Chris Martin. "As employees of Woman's Life, we're proud of our rich history of supporting local causes in the Blue Water Area and look forward to supporting more causes as part of our 125th Anniversary Celebration in 2017."

In 1892 Bina West, a young teacher from Capac, Michigan, made it her life's work to provide women with the opportunity to achieve financial security for themselves and their families. As a result, she founded one of the first organizations in the United States to offer life insurance to women. Today, Woman's Life remains committed to her vision, helping women prepare for a secure financial future while supporting their community outreach.
