

WOMAN'S LIFE STAFF EMBRACES COMMUNITY OUTREACH

(December 2017) As an ongoing part of its 125th Anniversary Celebration, Woman's Life Insurance Society Home Office staff members have held monthly Collections for a Cause throughout 2017. In December, they embraced the true holiday spirit by working with the Council on Aging and collecting Christmas gifts for 47 local seniors.

"In typical Woman's Life fashion, our team stepped up and showed their hearts, providing support for local organizations and individuals in need throughout the year. Our efforts to fulfill the Christmas wishes of 47 local seniors is an excellent example of the kindness and compassion the people on our staff bring to work every day." stated Woman's Life National President Christopher J. Martin. "

In 2017, Woman's Life Insurance Society is celebrating its 125th Anniversary. In 1892, founder Bina West, a young teacher from Capac, made it her life's work to provide women with the opportunity to achieve financial security for themselves and their families. She founded one of the first organizations in the United States to offer life insurance to women. Today, Woman's Life remains committed to that vision, helping members prepare for a secure financial future while supporting their community outreach.
