

WOMAN'S LIFE AWARDS \$9,500 TO AREA CHAPTERS

(Port Huron, Michigan – February 2018)

More than 175 members of Woman's Life Insurance Society gathered recently at the Blue Water Convention Center to celebrate their 2017 accomplishments and for the presentation of a total of \$9,500 in the Society's Annual "Bag of Cash" Bonus Awards.

These awards are presented each year by Woman's Life to active chapters, based on their level of community outreach, membership growth, and impact. Twenty-four Woman's Life chapters qualified for an Annual Bonus Award, each receiving a check for their chapter treasury ranging from \$250 to \$750.

"This \$9,500 awarded to our active chapters will now make its way into their local communities through their volunteer activities. These funds empower our members to provide valuable support to charitable organizations and individuals in need," said National President Christopher J. Martin. He continued, "There is no shortage of need in our communities, and with this addition to their chapter treasuries, Woman's Life members are prepared to help."

In 2017, Woman's Life chapters held more than 1,290 events including fundraisers and volunteer service projects. They contributed more than \$636,600 through fundraising, matching funds, volunteer service projects, in-kind donations, and donations from chapter treasuries. In addition, Woman's Life members dedicated an impressive 73,750 hours to volunteer service benefiting needy individuals, local and national causes, and worthy charities in communities across the United States.

Woman's Life Insurance Society is community life insurer committed to helping members prepare for a secure financial future while supporting their community outreach. To learn more about the quality life insurance and annuity products offered by Woman's Life, or
