### **Woman's Life Recognized with Two Best of the Blue Water Community's Choice Awards**

PORT HURON, MI—Woman's Life, a Trusted Fraternal Life brand based in Port Huron, proudly announces that the brand has been recognized as a top business in the Best of the Blue Water Area Community's Choice Awards.

Woman's Life was recognized as the winner in two categories:

- Best Insurance Agency
- Best Financial Institution

John Borgen, President and CEO of Trusted Fraternal Life, stated, " This recognition is especially meaningful because it comes from the community Woman's Life has served for generations. Families have many choices when it comes to financial protection, and this honor reflects the trust they place in Woman's Life—not only to help secure their financial futures, but to make a meaningful difference in their communities."

Woman's Life creates opportunities to support local communities through the outreach efforts of their member chapters. In 2025 alone, member volunteers contributed more than 40,000 hours and \$500,000 in support of individuals, causes and communities that matter to them.

"It's an honor to be recognized by the Blue Water community, where Woman's Life has such deep roots," said Borgen. "This recognition reflects the meaningful connections our members have built locally and the difference they continue to make. Supporting this community—while helping families build financial security—is a responsibility we're proud to carry forward every day."
