

## **Ceremony for New Member Initiation**

As a fraternal benefit society, Woman's Life has always recommended that its chapters follow meaningful rituals for important events. The welcoming of new members is one of those events. For new chapters, initiation of members is included in the Installation of Officers ceremony. On an ongoing basis, many chapters enjoy welcoming new members through a simple initiation ceremony; it is not required. You may find the suggested ceremony on the next page helpful.

Chapters may choose to have a New Member Initiation ceremony whenever they have new members or may prefer to hold this special event on a quarterly or annual basis. The ceremony may be conducted at a monthly business meeting or may be the reason for a special social event. Some chapters provide special decorations and/or refreshments for the event; some chapters hold the ceremony at a restaurant and include lunch or dinner. Some chapters present a red rose to each new member to symbolize her new connection to Woman's Life.

There are several people who might lead the initiation ritual. These include: the chapter president or vice president, a member of the Membership Committee, a member of the Welcome Committee, an officer of Woman's Life, a Chapter Development Specialist, a Woman's Life Home Office employee, a past officer of the chapter.

At the conclusion of the ceremony (or at the end of the business meeting that includes the ceremony), all attendees should gather around the new member(s) to offer congratulations and extend a personal welcome. Simple refreshments might be served at the end of a meeting, or a more elaborate event might include a luncheon or dinner.

However you design your initiation ceremony, be sure to take some photos for a chapter scrapbook or album—and be SURE to send some in to Home Office! This is also a great time to send a press release to your local newspaper to acknowledge your new members and to tout some of your chapter's accomplishments.
